

Brandon Rodriguez Martinez

La Jolla, CA 9XXXX - (XXX) XXX-XXXX - brodriguezmartinez@ucsd.edu

December 15, 2023

Summary of Qualifications

- I make my work reflect me and that's why I want my customers to be satisfied with the results.
- When it comes to detail, I make sure I have the right settings.
- Able to take a variety of different styles of photos
- I'm the right candidate for the open position because I'm passionate about my work. You'll benefit because you will have satisfied customers.

Education

Bachelor of Art in Visual Arts Media
University of San Diego California

2026

Skills

Techniques

- Proficient in adjusting shutter speed to achieve creative effects. For instance, motion blur, freeze action, and low-light performance.
- I have an adaptable approach to ISO settings to suit various viewers' preferences and photography styles.
- The capacity to use technical accuracy to modify aperture settings following composition specifications to convey mood, emotion, and story in narrative photography.
- Capturing and improving the visual appeal of photographs through the use of both artificial and natural lighting.
- Experienced in utilizing Adobe Lightroom and Photoshop to optimize, retouch, and edit photographs to get suitable hue correction and visual effects.

Photography Experience

Fine Art Photography [VIS 60]

- Targeted black-and-white fine art photography, applying technical methods to make use of the absence of color to convey the picture and create sensations. **Oct 24th, 2023**
- Using my understanding of color theory, I was able to create visually appealing photographs. Additionally, my composing capabilities allowed me to capture the subject's characteristics with detail, leading to a solid appearance. To capture the essence of different areas, I pursued strong composition techniques in my photography. **Nov 7th, 2023**
- Using my photography techniques, I managed to create a story in my architectural photographs. **Dec 5th, 2023**
